Ernest Oberholtzer Merit Badge Clinic
First Aid & Medicine

Saturday, February 1, 2014, will be the date of the **12th** Illowa Council First Aid Merit Badge Clinic hosted by the Council's Enterprise Risk Management Committee at Genesis East Hospital in Davenport, Iowa. This year we will also be offering the Medicine Merit Badge. Scouts can sign up for one clinic, either First Aid Merit Badge or Medicine Merit Badge.

- There will be an opportunity for the **First Aid Merit Badge** Students to see state of the art first aid and resuscitation equipment. The Instructors will be EMTs, nurses, and physicians for this top notch clinic. First Aid Merit Badge Scouts should also bring their assembled home first aid kit. (Requirement 2D)
- Scouts attending the **Medicine Merit Badge** clinic will complete all of the requirements except #10 which requires the Scout to volunteer time to a health related facility or program. (e.g. blood drive, health fair, etc.)
- This is an opportunity and learning experience difficult to recreate in a troop.
- NEW this year, a pizza and soft-drink lunch will be provided to the participants. If you have special dietary needs please provide your own lunch.

ALL Scouts should have read and reviewed the merit badge book in order to pass a written exam at the end of the day. It is also recommended Scouts have achieved Tenderfoot Rank or higher for the First Aid Merit Badge Clinic, and due to the advance nature of the Medicine MB…it is recommended that they be at least 12.

The merit badge clinics will be from 9:00 a.m. (registration from 8:30 until 9:00) until approximately 3:30 p.m.

The Clinics include the merit badge card, a patch and lunch. Registration is only $10 per scout if paid by January 20th, and $20 after that date. SPACE IS LIMITED, if the clinic fills, no late registrations will be accepted.

For more general information and egistration questions, please contact the Scout Service Center at (563) 388-7233 or visit www.illowabsa.org. For additional information specific to the actual clinic please contact ERM Chairman Dr. Ben Van Raalte at vanraalte@yahoo.com. This event will be held indoors, so it will not be affected by inclement weather.
