Is any Special Equipment Needed?

An equipment list will be sent to each participant upon registration. Scouts who participate in an active Troop outdoor program probably already have the necessary personal equipment or can borrow materials from their troop. An ***official BSA uniform*** is required.

Medical Forms:

Every participant will be required to have a valid BSA physical parts A, B, and C completed in order to attend. Scouts will not be allowed to participate without the physical.

What Does the Conference Cost?

The conference early Bird fee is $175.00 if paid by May 15. Regular fee is $200.00 if received after May 15. This includes all food, equipment, and training materials.
Scouts will also receive two NYLT t-shirts, an NYLT hat and appropriate recognition for successful completion of the course. A deposit of $75.00 per scout should accompany each registration. The balance must be paid by July 1, 2012.

Qualifications:

Boy Scouts must be at least First Class rank and 14 years old and approved to attend by his **Leader**. NYLT is open to both male and female Crew, Ship and Team members. They must be 14 years of age and approved by their advisor. Because NYLT is a six day resident camp, it is expected that the Scout will have camping, cooking and hiking skills and that they will be able to function as a contributing member in the patrol setting during the course of this event.

NATIONAL YOUTH LEADERSHIP TRAINING CONFERENCE

What is the Conference?

The National Youth Leadership Training Conference is a week long outdoor experience for youth leaders in support of the Troop, Crew and Teams responsibility for training the Troop's youth leaders. The Course is conducted by the Illowa Council Training Committee, using a syllabus published by the Boy Scouts of America.

Our Vision:

The NYLT program is the centerpiece of the council's training opportunities for youth. It is our vision to provide local units with outstanding youth leaders and to give those Scouts the tools and leadership ideals they can use in their home units and throughout their lives in all situations demanding leadership of self or others.

Purpose:

The training of youth leaders in the Troop, Team, Crew or Ship, is important in helping individual Scouts and the unit grow. The Boy Scouts of America has developed **National Youth Leadership Training Conference**, based on a curriculum proven valuable in the training of youth leaders. The Scouts will be exposed to living skills that allow them to become a successful leader in organizations all their lives.

NYLT Conference Activities:

Course participants will experience:

- A simulated month of troop activities.
- PLC meetings where the scouts will plan all aspects of an upcoming outing that they will embark upon at the end of the week.
- Dozens of teambuilding games and exercises.
- The responsibility of leadership as each participant takes charge in a troop leadership position during the week.
- Training sessions conducted by the best youth teachers and adults that the Illowa Council has to offer.
- The ideal troop and patrol model setting: from establishing their patrol camping site, cooking their meals, and planning their activities.

NYLT Conference Objectives:

- Give participants the confidence and knowledge to operate as a youth-run Troop, Ship, Crew or Team.
- Provide participants with a clear understanding of team and personal development and how those elements relate to being an effective leader.
- Train participants in all aspects of effective leadership, ranging from teaching skills to conflict resolution. Guide the participants through the stages of team development. Create an environment of Scouting fellowship and fun guided by the Scout Oath and Law.
- Experience Scouting at it's finest.
