Why Cub Scout Resident Camp?

Cub Scout Resident Camp is a program for Wolfs, Bears, Webelos. Cub Scout Resident Camp is an opportunity for Cub Scouts and their adult leadership to spend quality time together working on advancement, enjoying recreational activities and learning about camping.

Activities will be age specific based on rank-so a cub can come back to Cub Scout Resident Camp each year, and get a different experience.

Campers sleep in two person canvas tents that are supplied by the camp. Activities at Loud Thunder have included archery, bb-gun target shooting, swimming in a pool, boating, crafts, nature, and games. Food service is provided in a dining hall.

A <u>Cub Scout Camp Leader's Guide</u> with specific information is available at www.illowabsa.org/Camping.

To Register, check with your Cub Scout pack to see if your pack has made reservations. We encourage packs to attend as a group, but don't worry, if the pack date doesn't work, you can still come on your own! **Registration is online.**
