## **WWW.SAUKENUKROUNDTABLE.COM**

Greetings to all from your Saukenuk Roundtable Webmaster!

That's right, your Saukenuk Roundtable Webmaster! You can check out our Saukenuk Roundtable webpage at www.saukenukroundtable.org to see ALL of the new information and Scout help areas found there. The Saukenuk Roundtable webpage is designed to help promote Roundtable to Scout leaders and interested parents who don't 'know' much about roundtable. In addition, you will find roundtable updates, a Roundtable event calendar, and more. You will find

'Help Wanted' and 'Hints to Scouters' sections which are focused on providing information to units within the Saukenuk District.

Perhaps you have a question about something in Scouting but have been afraid to look silly in asking it? Well, now you can ask your questions in a 'safe' place and be reassured the experts will answer. There is also a recipe section so you can pass on to others those great Dutch oven, foil, or grilling recipes.

However, with all of the great features, the main emphasis of the website is to help you to show fellow Scouters and more importantly, those perspective Scout leaders that attending Roundtable is a fun and useful event that will help equip them for any postion. The Roundtable website offers an easy and non-intrusive way to inform and promote Roundtable. By attending just ONE roundtable meeting you will see that you are NOT alone out there and that help, support and friendships are there for you.

This website is an aide to support Roundtable, not a substitute, so come to Roundtable and enjoy the fun, learning and friendships you will gain!

#### District Launch is almost here!!!

The Saukenuk District Launch is almost here and is FREE to all new Scouts! The launch is designed to ensure that each new Scout receives an outdoor experience within the first 30 days of enrollment. Studies show that Scouts actively participate longer in the Scouting program when

they have gotten the chance to do a fun activity outside. So don't let one of your new Scouts miss out. Bring them out to the launch with there parents for an explosive time. There will be model rockets, water rockets, stomp rockets, motorized boats, boomerangs and more. The event will be held on Sept. 19 at Woodrow Wilson Middle School Field from 9:00am to Noon. \$2 for previously enrolled Scouts.

Trainings are offered for new and experienced leaders at Roundtable:

Sept RT: Intro to Cub Scouts/How we have fun

Oct RT: Cub Specifics (Wolf and Bear)

Nov RT: Cub Specifics (Tiger)

Dec RT: Cub Specifics (Webelos)

Feb RT: Youth Protection

# Chef Ben's Country Kitchen

For our first recipe we wanted to start off with one that could feed your whole family (along with your extended family).

Coming to you straight from Ben Roger's kitchen I bring to you to highly coveted **Oreo Fluff**.

Yes, this is the same Oreo Fluff that was gone before you could blink at the 2009 Order of the Arrow Fall Conclave.

Ingredients:

12lb of Sour Cream
192 oz of Cool Whip

16 oz of Vanilla

4 bags of Oreo Bits

72 oz of Cherry Jell-O

Directions:

Combine Cool Whip and Sour Cream and Mix well then add Jell-O powder and mix well. To this mixture fold in Oreo Birs As you may have guessed this is not a single serving, the recipe actually serves 200 people.

If you have a recipe that your unit raves about and you are willing to share it with the rest of the Scouting community please e-mail it to Colbie at colbie.andes@scouting.org

#### Scout Law: Loyal

"Loyalty means nothing unless it has at its heart the absolute principle of self-sacrifice."

# Building Dedication and Open House

Join us at the Boy Scout Service Center for an afternoon of fun and fellowship with our Building Dedication and Open House. After months of hard work from countless volunteers, the Scout Service Center is ready to be officially shared.

Please join us on September 11th from 2:00-6:00pm as we dedicate our new Service Center and kick-off Scouting's 100th anniversary celebration of events.

Be one of the first 500 people through the Scout Shop doors (starting at 2pm) and receive a commemorative patch. After collecting your patch stop by the conference room and help save a life by donating blood through the Mississippi Valley Regional Blood Center as we try to collect 100 pints.

Other notable events that will

be happening throughout the afternoon include: viewing a traveling BSA art exhibit, participating in our first flag ceremony, and hearing exciting plans for the future of Boy Scouting.

It is our hope that this event can be a time of celebration, however it won't be much of one without you. Please join us as we proudly display the new home of your Illowa Council.

# Saukenuk Want Ads (Looking for ways to get involved?)

Are you looking for a little part time work? Are you looking for an opportunity to give back? Do you enjoy working with a diverse group of kids? If you have answered yes to these 3 questions then I have a job for you.

The Illowa Council is looking for a strong, energetic,

and enthusiastic part-time Program Aid to provide program in Rock Island. Programming will serve youth primarily in an after school setting with opportunities for in school work as well. Responsibilities include: planning, implementing, and evaluating a youth program by working with staff from the sponsoring organization and the Boys Scouts. Programs typically run after school with a few special events during the summer

If you are interested please e-mail Colbie Andes, Saukenuk District Executive.
