BALOO - Basic Adult Leader Outdoor OrientationOWL - Outdoor Leader Skills for Webelos Leaders

COMBINED TRAINING SESSION

COMBINED TRAINING SESSION

BALOO and OWL training will help ALL Cub Scout parents and leaders to 'BE PREPARED' for the adventures of camping in the great outdoors with Cubs. This program is specific to meet the needs of introducing young men to the world of overnight camping and fulfills the requirements your Pack needs to conduct these outings. This combined course provides BOTH the basic training as well as the Webelos instruction and involves lengthy sessions to cover all material.
