EVERY SCOUT DESERVES

A TRAINED LEADER

Trained Scout Leaders provide a quality, fun-filled program for youth! Training helps a leader to be aware of the resources available to them and therefore be more effective in delivering a worthwhile program to the youth. As a result of trained leaders, our Scouts achieve the aims of Scouting: citizenship, character development and personal fitness.

The Basic Leader Training program is designed to help leaders easily graduate through the courses with little duplication. It begins with Youth Protection Training, continues through This is Scouting and is followed by Leader Specific Training for each adult's role in the unit. The following is a matrix designed to show you what trainings are needed to be considered a "Trained Leader".
