

Ernest Oberholtzer Merit Badge Clinic

First Aid & Dentistry

Sponsored by the Illowa Council and
Genesis Illini Hospital

Saturday, February 3, 2018, is the date of the 16th Annual Illowa Council First Aid Merit Badge Clinic hosted by the Council's Enterprise Risk Management Committee and held at the Genesis Medical Center-Illini, Larson Center, 855 Illini Driver, Silvis, Illinois.

New in 2018! If your Scout troop knows of girls between the ages of 11-18 that would like to participate, you may make reservations for them to attend. While girls of that age won't be able to officially register with the BSA until 2019, they can learn the same life-saving first-aid skills that our Scouts do. Girls will experience the same requirements and written test that the boys must complete for this merit badge.

- ◆ There will be an opportunity for the **First Aid Merit Badge** students to see state of the art first aid and resuscitation equipment. The Instructors for this top notch clinic will be EMTs, nurses, and physicians. Scouts participating in this clinic should also bring their assembled home first aid kit. (Requirement 2D)
- ◆ A **Dentistry Merit Badge** will also be offered. Currently there are *five* spots available for **Dentistry**. A waiting list will be established.
- ◆ Scouts should be at a Tenderfoot Rank or higher for the **First Aid Merit Badge** Clinic. Scouts will take a written test at the end of the day that will determine their earning of the **First Aid Merit Badge**.
- ◆ The merit badge clinics will be from 9:00 a.m. until approximately 3:30 p.m. Check-in is from 8:30 until 9:00 a.m.
- ◆ A pizza and soft-drink lunch will be provided to the participants. If you have special dietary needs please provide your own lunch.

The clinics include the merit badge card, a patch, and lunch. Registration is \$10 per Scout if paid by January 20, and \$15 after that date. SPACE IS LIMITED. If the clinics fill, no late registrations will be accepted.

For more general information and registration questions, please contact Mia Carr at the Council Service Center at (563) 388-7233 or mia.carr@scouting.org. This event will be held indoors, so it will not be affected by inclement weather.
