Safety and Security

Outdoor University

The safety and security of your scout(s) is of utmost importance to us here at Elmore Stock Farm Outfitters LLC, as well as to the staff of Outdoor University and in a larger sense, Boy Scouts of America.

In case of an accident, or that one of your scout(s) becomes ill, we need an emergency contact number for the scout(s) that you are responsible for here at Outdoor University. Please list the cell phone number of someone that is present at OU with your scouts and give us some idea of where to find that person, i.e. campsite, in a MB session, or on a fieldtrip with one of the sessions.

Please fill out this form and return it to the registration table upon check-in. We sincerely hope that we do not have to use this information, but with such a large group of youth and adults we would like to “be prepared.”
