Cub Scout Day Camp 2012

July 9th thru 13th - Little John Conservation Club Knox Highway 15, Victoria, IL

Good Day Everyone! We would like to introduce to you 'Double Trouble'... your new camp directors!

Tracy Renner has been selected and Trained as your new Day Camp Director! Tracy comes to you with 4 years of service to the Boy Scouts of America! You may have seen her in Crafts/Airplanes at the 2012 Lock-In, and as Day Camp Craft Director last year. Pack 210 is Tracy's 'home' Scouting Unit, where she volunteers as Committee Chair and Tiger Leader. Recently, she has become a Unit Commissioner for our District. She has a Scout of her own, Drake, who is a WeBeLoS I this year. Her 'day job' is with Cottage Hospital in the Lab, but she has a more fun job as a Balloon Artist (you may have seen her at Day Camp 2010)! Tracy loves spending time with her son, reading, cooking, and crafting... and strongly promotes SUNSCREEN! You will see her up to some fun 'Trouble' at upcoming events!

Tami McCulloch has been selected and Trained as your new Program Director for Day Camp! Tami brings to the plate 4 years of service with the Boy Scouts of America! You may have seen her previous years as Day Camp Leather Director. Tami also volunteers with Pack 317 as a Den Leader, and helps on a District level as our Roundtable Commissioner, and Unit Commissioner. She is also on Illowa Council Training Committee, and is our Council BALOO/OLS Director! She has a Scout of her own, John, who is a WeBeLoS I this year. Tami spends her non-Scouting 'spare time' with her family, and enjoys creative designing with beads... and she LOVES HER CATS! Tami is 'Double' to Tracy's Trouble!
