

C.O.P.E. TRAINING
Team-Building Unit C.O.P.E. & C.O.P.E. Facilitator Training
#1: Team Building C.O.P.E.

Where: Camp Loud Thunder

When: October 10-12, 2014 (Friday 7:00 p.m. to Sunday 4:00 p.m.)

This motivating program is for Scouts interested in learning ways to build the Team concept within their unit. Scouts will learn that working as a group will accomplish much more than working individually.

Learn what it means to be a Scout-run Troop or Crew! Strengthen your skills in communication, decision-making, planning, problem-solving, self-esteem, and FUN! Ask any Scout who has completed a full weekend of C.O.P.E. and they will tell you it is well worth the time. Your fellow Scouts will learn what it means to work as a Team at Unit C.O.P.E. Every unit serious about a Scout-run Troop or Crew should send its experienced Scouts to this training.

Cost for Scouts is \$24. The course includes necessary equipment. (If you would like to bring your own climbing helmet, harness, and gloves, you may use them at the discretion of the C.O.P.E. Director). Please do not wear jewelry or watches. No cell phones.

To save time, lunch Saturday and lunch Sunday should be brought to the COPE course. A good team building activity is to assign each Scout to bring an item for lunch. If one forgets, all suffer. Be flexible. Bring water bottle (water supplied on course). Plan food for Friday Crackerbarrel; Saturday Breakfast, Supper, Crackerbarrel; and Sunday Breakfast. Include ingredients for sandwiches, chips, fruit, cookies, etc. Bring enough food for instructors and all Scouters.

The BSA Annual Health and Medical Record (at least Part A & B) must be turned in Friday evening. No one may participate without their physical. Bring tent, sleeping bag, eating utensils (cup, fork, spoon, plate), personal hygiene items, as well as personal/camping gear. Clothing should be loose-fitting long clothes to allow ample movement---yet not baggy. Footwear should be sturdy. DRESS FOR THE WEATHER. This program will be rain or shine unless the Director feels SAFETY is compromised. (Climbing equipment is supplied; your own equipment use is at the discretion of the COPE Director in charge.)

Come with high expectations of learning ways to improve yourself and to accomplish more as a team. Your attitude will go a long way to make this a memorable experience.
